Instructions
Answer each of these questions on the Scantron sheet. Choose only one answer. If more than one answer is correct, choose the single one among them that is best.

You may write on this exam as much as you want. Only the Scantron sheet will be graded. Each question counts equally.

Please write your name legibly on this exam and the Scantron sheet. Hand both of them in at the end of the exam, along with your equation/note sheet.

Good luck!

Name______________________________     Roster No. __________________________
(Please print)

Identification
In these questions, you will identify your instructor and the version of your exam. These answers will be recorded on your Scantron sheet, but will not count as part of your exam score. They are needed to insure that your exam is scored correctly.
